

The COVID-19 pandemic and school closures, have brought about a lot of uncertainty, anxiety and feelings of sadness for us all.

We couldn't help but notice that most of the rainbows have disappeared and our windows of hope and friendship are bare.

To support our children and your families to feel a sense of togetherness during our current school closure, we are so excited to

launch:

'The Lumley Love Trail'

In partnership with Lumley Infant School and Lumley Junior School, please place a heart in your windows as a symbol of togetherness and remember:

'We will still have each other, when this rainstorm ends'.
